

The Director of Central Intelligence

Washington, D. C. 20505

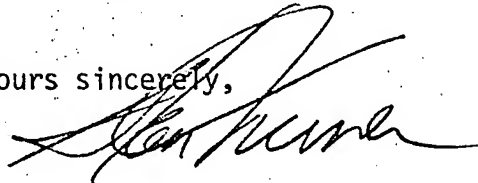

19 December 1980

Dear Mr. Humphrey,

I am most grateful for your invitation to speak before the Amherst student body on a date in February, March, or April.

As you may know by now, I will relinquish my duties as Director of Central Intelligence next month, and as yet my plans for the immediate future are indefinite. If it meets with your approval, therefore, I would like to defer making a definitive commitment until early February. Unless I hear from you prior to that, I will be in touch with you then.

Yours sincerely,

STANSFIELD TURNER
